EXPERIENCE

Web Developer Intern — CodeSoft

Jun 2024 – Jul 2024

Built reusable responsive React UI components; integrated and tested REST APIs; improved performance and cross-browser compatibility; collaborated in Agile workflows.

Java Trainee — Codules

Sep 2024 – Oct 2024

Completed intensive Java training covering Core Java, OOP, DSA and JDBC; developed and debugged console/GUI applications and strengthened analytical problem-solving skills.

SELECTED PROJECTS

Personal AI Assistant Next.js • OpenAI Responses API • Web Search • PWA • GitHub API

Built a private, mobile-friendly AI agent with persistent memory, tasks/reminders, web search, file uploads, optional GitHub access and browser speech-to-text.

DataStream Pro Python • Django • Apache Kafka • Redis • Docker • PostgreSQL • AWS • Scikit-learn

Designed a distributed real-time analytics platform processing 1M+ streaming events/day with ML-driven anomaly detection and forecasting.

BankEase Java • Spring Boot • MySQL • REST APIs • JWT

Developed a secure banking management system supporting account creation, transactions and fund transfers with JWT authentication and role-based access control.

Krishi Neuron React • Express.js • ML Models • APIs

Built an AI agriculture assistant for crop recommendations, disease detection and price prediction with an interactive farmer dashboard.

NewsMonkey React • JavaScript • Bootstrap • REST APIs • News API

Created a responsive news platform with category filters, infinite scrolling and optimized rendering for high-volume API usage.

Adarsh Portfolio React • TypeScript • FastAPI • PostgreSQL • Docker

Developed a recruiter-focused portfolio with responsive UI, API-backed contact form, PostgreSQL persistence and Dockerized development.

EDUCATION

B.Tech in Computer Science — Mangalmai Institute of Engineering and Technology, Greater Noida

Sep 2022 – Jul 2026 • Class Representative

CORE STRENGTHS

Problem solving • Quick learning • Effective communication • Team collaboration • Debugging • API testing • Maintainable software development
